

Used Roll Off Truck Sales Company! Apex Equipment Offers Free Warranty On Used Roll Off Trucks.

A warranty is not always available when you buy a used roll off truck. Apex Equipment has taken the worry out of purchasing used trucks with a Free 2 Year/200k Mile Warranty.

Apex Equipment is an industry leader in the pre-owned roll off truck business. The combined knowledge and experience of the Apex team makes them the fastest growing used roll off truck dealer in the United States.

The Apex team takes pride in every truck that comes into the Apex arena, making sure each roll off truck gets a 210 point inspection prior to going on the market. The folks at Apex Equipment are committed to making sure business owners have the best used roll off trucks money can buy, and to prove it, they offer a free 2 year / 200k mile warranty.

In addition to the 210 point inspection, the 2 year / 200k mile warranty, and the great prices you will find on roll off trucks at Apex Equipment, there is also shipping to anywhere in the world.
